CERTIFICATION TO INFORMATION DISCLOSURE STATEMENT

Sir:

On June 23, 2005, a Supplemental Information Disclosure Statement was filed in the above-referenced application. It has been determined that the PTO/SB/08A attached to the Supplemental Information Disclosure Statement included a typographical error. The U.S. Patent to Roberts, Lawrence G. was erroneously listed as 6,574,495, rather than 6,574,195. A corrected PTO/SB/08A is attached as part of this electronic filing which lists the correct patent number.

No fee is believed due since the Supplemental Information Disclosure Statement was filed before the issuance of a first Office Action on the merits. If a fee is due the

Commissioner is hereby authorized to charge any deficiency or credit any overpayment to
Deposit Account 11-0855.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Brenda O. Holmes". The signature is fluid and cursive, with the first name "Brenda" being more prominent and the last name "Holmes" written in a more compact, connected style.
